SUMMARY OF REPORT:				
Meaningful engagement with our communities and people is vital to truly understand local sentiment, need, priorities, and concerns in Humber and North Yorkshire.				
This month's report focuses on our system approach to engagement with Children and Young People in relation to mental health with a particular focus on the Children and Young People's Trauma Informed Care Programme.				
RECOMMENDATIONS:				
Members are asked to:				
i) Note and discuss the key themes.				
ICB STRATEGIC OBJECTIVE				
Managing Today			\boxtimes	
Managing Tomorrow	I		\boxtimes	
Enabling the Effective Operation of the Organisation			\boxtimes	
Voice at the Heart			\square	

IMPLICATIONS Finance N/A at present but and may have implications if particular themes and/or recommendations are progressed in the future. Better understanding of public perceptions and experience is key Quality to improving quality, access to care and reducing health inequalities. HR N/A at present. Legal / Regulatory The ICB is required to meet its statutory duties as part of the NHS Act to make arrangements to secure that people are appropriately 'involved' in planning, proposals and decisions regarding NHS services. Data Protection / IG N/A at present. Health inequality / equality Better understanding of public perceptions and experience is key to improving quality, access to care and reducing health inequalities. **Conflict of Interest Aspects** N/A at present. Sustainability N/A at present. ASSESSED RISK: The primary risk is that the ICB fails to appropriately involve the public in its planning, proposals and decision regarding NHS services, as part of its statutory duty. Ensuring that the Voice of the Lived Experience is part of every Board agenda, and that the dashboard and key reports are brought to the Board's attention is a key part of the mitigation. **MONITORING AND ASSURANCE:** As part of the task and finish group activity, governance and assurance is being reviewed. **ENGAGEMENT:** The dashboard report summarises the engagement activity undertaken.
